

One Company... Many Solutions

Founded in 1955, MG Chemicals is a manufacturer and wholesaler of chemical products for the electronics industry. The core of our company is our extensive line of high-quality products developed through leading-edge science, innovation, and process engineering.

Our state-of-the-art research and innovation facilities, extended production capabilities, highly skilled technical team, and global network of distributors allow us to provide solutions wherever and whenever our customers need them.

Why MG Chemicals?

- Wide range of products
- ISO 9001:2015 Quality Management System
- Global distribution
- Sophisticated technical support
- Superior Customer Service
- State-of-the-art research and innovation facilities
- Detailed product specifications and technical data sheets
- Strong regulatory compliance
- GHS labeling and SDSs

Industries We Serve

- Industrial & Consumer Electronics
- Automotive
- E-mobility
- Defense
- Aviation
- Telecommunications
- Life Sciences
- Power and Energy Electronics
- Marine applications
- LEDs and displays

Adhesives

- 1-Part Epoxy Adhesives
- Electrically Conductive Adhesives
- Thermally Conductive Adhesives
- General Bonding Adhesives
- Fast Setting Epoxies
- Silicone Adhesives
- Specialized Adhesives
- Dispensing Accessories

Electronics Prototyping

- Copper Clad Boards
- Copper Etchants
- Electroless Plating
- Photofabrication Supplies
- UV Presensitized Copper Clad Boards

Conductive Paints

- Conductive Acrylic Paints
- Conductive Epoxy Paints
- Conductive Water Based Paints
- Board Level Shielding
- ESD-Safe Coatings
- Conductive Spray Paints
- Conductive Paint Thinners

Circuit Board Repair

- Freeze Sprays
- Conductive Pens
- Overcoat Pens

Conformal Coatings

- Acrylic Conformal Coatings
- Epoxy Conformal Coatings
- Polyurethane Conformal Coatings
- Silicone Conformal Coatings
- UV Conformal Coatings
- Insulation Coatings
- 3M Electronics Coatings
- Conformal Coating Strippers
- Conformal Coating Thinners

Potting Compounds

- Epoxy Potting Compounds
- Silicone Potting Compounds
- Urethane Potting Compounds
- Dispensing Tools and Accessories

Soldering Supplies

- Desoldering Braids
- Flux Pens
- Flux Removers
- Solder Mask
- Solder Pastes
- Solder Wire
- Soldering Fluxes
- Tip Tinner

3D Printing Materials

- 3D Printer Bed Tapes
- 3D Printer Filaments
- 3D Printing Chemicals

Electronics Cleaning Products

- Air Dusters
- Alcohol Wipes
- Cleaning Brushes
- Cleaning Swabs
- Contact Cleaners
- Dry Wipes
- Electronics Cleaners
- Isopropyl Alcohol
- Specialized Cleaners

Greases For Electronics

- Dielectric Greases
- Electrically Conductive Greases
- Lubricating Greases
- Thermal Pastes

RTV Silicone Adhesives

- 1-Part Flowable Heat Cure
- 1-Part Flowable R.T. Cure
- 1-Part Paste Heat Cure
- 1-Part Paste R.T. Cure
- 2-Part Flowable Heat Cure
- 2-Part Flowable R.T. Cure
- 2-Part Paste R.T. Cure
